History also allows us to understand the present through the past, as it places our struggles and problems into a wider historical context. This shows us that history is a dynamic force that builds on the past to create the future in positive (and often negative) ways.

### **Introduction to history | Permanent Culture Now**

Introduction paragraphs are generally no more than five to seven sentences in length. In a history essay, your introduction paragraph should serve to give your reader some historical context to your argument, while easily transitioning them to the body of your essay.

### **How to Write an Introduction to a History Essay | Synonym**

Although Herodotus, the Father of History, wrote about societies other than his own, in general, a society has a history if it provides its own written record. This requires the culture to have a system of writing and people schooled in the written language. In early ancient cultures, few people had the ability to write.

I am needing to read a history of psychology for the GRE, so I began looking for examples on Google, since I have not taken a class on it. I read the introduction on Google Books, and I found the text to be lucid and extremely well written, so I purchased an older edition on Alibris. Wish I could have afforded the 2008 edition, but it was way ...
