Cruising Culture provides the first extensive critical examination of competing understandings and experiences of promiscuity, both in post-war American gay culture and in American culture more broadly. In this original and provocative book, Ben Gove unpicks the root assumptions and contradictions which contribute to dominant punitive notions of promiscuous sex and desire. He challenges normative dichotomies between 'good' monogamous sexualities and 'bad' promiscuous sexualities by ...

Cruising Culture develops an important reading of the cultural contradictions of gay promiscuity. He writes compellingly and accessibly about the complexity of fantasy the ecstasy and the distress of human desire. I found this a wonderful piece of work. It is first-rate both as cultural critique and as literary analysis. Rigorous and revealing.

debates within American gay culture on its place in the era of AIDS.

## **Cruising Culture - Edinburgh University Press**

Promiscuity—that is, casual sexual behavior, usually in women—is no longer viewed quite as negatively as it used to be. I think the principal reason for this change in attitude is the much longer period of time women date before settling down and marrying. There is more time for more sexual involvements.

## **Certain Aspects of Promiscuity | Psychology Today**

The book also draws on numerous critical and historical perspectives to present an intricate picture of promiscuous sexual life in contemporary America." "Cruising Culture is for gay/lesbian/queer studies, gender studies and American studies, and for anyone else seeking a thorough discussion of the complex debates surrounding promiscuity ...

sharing that cruising affords is only sometimes sexual, and I am using the term broadly even though it most often calls to mind furtive public sexual acts.

## **Project MUSE - Mourning, Yearning, Cruising: Ernesto Pujol ...**

Topping is thus entangled in this mode of thought. So, as tops become fewer in numbers, the racial-sexual subject morphs too. Perhaps, then, the “top shortage” gives name to the affective rhythms of this shift in available forms of subjectification and desire.
