Data Runner
Data Runner is the story of the Carrion aka. Jack Nill (god i fell in love with the nicknames in this book), a notable member of the Dragons Free run Gang. Jack Nill is cut off the elite schools and lives with his father, the hacker Martin Baxter. When his dad falls in the trap of online poker fraud,...

Data Runner (Data Runner #1) by Sam A. Patel
Data Runner is an interesting and novel prediction of the future of data. The premise that no electronic data is secure on the web sets up a society in which to secure privacy is to physically control storage and transport. From that backdrop the characters are well developed and the story-line is well written.

Data Runner is a battlefield located on Endor. Stray transmissions from both sides of the galactic civil war have been picked up in this region. This is a variation on a traditional capture the flag map. Once both teams have members in the pvp zone, one player will be randomly selected to receive a data packet.

Data Runner Quotes by Sam A. Patel - Goodreads
The Google Cloud Dataflow Runner uses the Cloud Dataflow managed service. When you run your pipeline with the Cloud Dataflow service, the runner uploads your executable code and dependencies to a Google Cloud Storage bucket and creates a Cloud Dataflow job, which executes your pipeline on managed resources in Google Cloud Platform.
