Assessment is an integral part of instruction, as it determines whether or not the goals of education are being met. Assessment affects decisions about grades, placement, advancement, instructional needs, curriculum, and, in some cases, funding.

**Why Is Assessment Important? | Edutopia**

Assessments tell you about students' progress on the path to future success, whether that's the next grade or the next course. They measure what students know and can do based on learning goals for the grade or course. The following is a summary of required statewide assessments for Mississippi students: Pre-K and Early Elementary Years

**Student Assessment | The Mississippi Department of Education**

The National Assessment of Educational Progress (NAEP) reading assessment is given every two years to students at grades 4 and 8, and approximately every four years at grade 12. The assessment measures reading comprehension by asking students to read selected grade-appropriate materials and answer questions based on what they have read.
