Used BMW X3 review: 2004-2015 | CarsGuide

The BMW x3 is a great family car, I never have any issues with this BMW. It is big enough for me and my child, it takes us where we need to with no problems and the drive is so smooth that I actually enjoy driving long distance. I would recommend this car for anyone with a small family and does not need too much trunk space. The BMW x3 also does great on gas and is not at all expensive to fill up.
