A comprehensive claim is made the same way as a claim for collision: call your insurer and explain the damage to your vehicle and how it happened. Your insurance company will make certain the event is covered and walk you through the claims process, including how to get estimates for your damage and how and when your deductible will be due.

A complete guide to collision and comprehensive car insurance

Comprehensive insurance coverage is one of the main coverages available as part of a car insurance policy. Comprehensive is optional insurance protection you can add to your basic car policy that provides you with coverage from damages that are not the result of a collision with another car.
