Reading, writing, and understanding. The relationship among reading, writing, and understanding is clear. Students engaged in reading-to-learn will also be prepared to write well. In turn, students who are engaged in writing-to-learn will become more effective readers. Through both approaches, students will gain a better understanding of ...

## **Reading and Writing for Understanding | Harvard Graduate ...**

Figure 1 illustrates how reading, writing, and understanding are related. The cognitive processes involved in the stages of comprehension (prereading, guided reading, and postreading) are virtually the same as the cognitive processes involved in the three inquiry stages that promote effective composition. Both reading-to-learn and writing-to-learn are meaning-making activities that result in ...
