cut both crime and the prison population in half within a decade. Mark Kleiman demonstrates that simply locking up more people for lengthier terms is no longer a workable crime-control strategy.

When Brute Force Fails | Princeton University Press

When Brute Force Fails: How to Have Less Crime and Less Punishment. Since the crime explosion of the 1960s, the prison population in the United States has multiplied fivefold, to one prisoner for every hundred adults--a rate unprecedented in American history and unmatched anywhere in the world.

When Brute Force Fails: How to Have Less Crime and Less ...

When Brute Force Fails : How to Have Less Crime and Less Punishment. Crime, even after a decade of falling crime rates, remains a huge problem, and a major barrier to improving conditions in poor neighborhoods. Mass incarceration -- one American adult in 100 is now behind bars -- constitutes a problem in its own right.

[When Brute Force Fails] | C-SPAN.org

Mark Kleiman's new book, *When Brute Force Fails: How to Have Less Crime and Less Punishment*, looks at how, when and why crime exploded in American cities, and proposes solutions that will slice the crime rate and reduce the prison population. When one in every hundred American men are incarcerated, perhaps it's time we listen.

When Brute Force Fails - UCLA Luskin

When Brute Force Fails explains how we got into the current trap and how we can get out of it: to cut both crime and the prison population in half within a decade. Mark Kleiman demonstrates that simply locking up more people for lengthier terms is no longer a workable crime-control strategy.

When Brute Force Fails: How to Have Less Crime and Less ...

When Brute Force Fails. Liberals don't like talking about crime. The classic answer—fixing the root causes of crime—now seems hopelessly ambitious. And our natural sympathy for the millions ground down by an out-of-control prison system and a pointless war on drugs doesn't play well with voters, especially when most criminals can't vote.

When Brute Force Fails (Aaron Swartz's Raw Thought)

"In his recent book, *When Brute Force Fails*, UCLA's Kleiman argues that new strategies for targeting repeat offenders—including reforms to make probation an effective sanction rather than a feckless joke—could cut crime and reduce prison populations simultaneously.

When Brute Force Fails | Princeton University Press

I found *When Brute Force Fails* to be an insightful and humane look at the criminal justice system, and how it might be improved. Ultimately, though, insight and humanity are secondary to the real cash value of the book: workable suggestions for reducing crime.

Lambdaphagy — Mark Kleiman: When Brute Force Fails

When Brute Force Fails explains how we got into the current trap and how we can get out of it: to cut both crime and the prison population in half within a decade. Mark Kleiman demonstrates that simply locking up.
